

## What people have said about our CSA program.

Hi Edie,

I would like to thank you and your staff at the gardens for such a wonderful season. This was my first year as a CSA member and I am very happy with the produce and service you provided. I am already looking forward to next season!!!

Thank you so much! We enjoyed our fruits and vegetables a lot. We discovered fruits and vegetables we didn't know existed, and the recipes you sent were delicious. I will sure recommend to anyone to be part of the CSA program next year!

Have a wonderful rest of the year, and please keep me posted :-)

Best regards,

Janeth & Family

Dear Bill and Edie,

Thank you for the high quality produce throughout the summer and fall. We have been delighted and excited to discover our weekly offerings! We appreciated the special treats as well (...jam, pumpkin, pickles, honey, wheat, sweet peas, etc.). Can't wait for next year!

All the best,

Kim (and Rufus) Edmonton

Hi Bill and Edie,

We are thrilled to participate in this year's CSA. I loved the program last year. I will be encouraging my friends to get involved too. Thank you for keeping us updated. I will enroll shortly.

Hi Bill and Edie,

Thank you so much for such a wonderful and nutritious experience this year! It was so exciting to open my surprise bag of produce every week. Some of it certainly made me think a little more than I was used to!

I look forward to next year and knowing a little more of what to expect every week. I also believe I've convinced a handful of family and friends to sign up next year to reap the benefits of the program too.

Thanks for everything,

Kevin, Jeanette and Nola Macleod
